Saur completes the acquisition of Mobile Water Services

Saur group announces today that it has completed the acquisition of Veolia's European Mobile Water Services division. The acquisition has been made following the conditions announced on May 9th this year, after consultation with Veolia employee representative bodies and receipt of the necessary regulatory approvals.

Mobile Water Services, now Mobile Water Solutions within Saur, will integrate Nijhuis Saur Industries (NSI), and will provide customers with access to the most advanced water and wastewater treatment technologies.
