## **Saur Group completes the disposal of its operations in Colombia.**

**Saur Group today announced completion of its disposal of all local authority water management operations in Colombia. In accordance with the conditions announced on July 21st, 2022, and having received permission to proceed from the Colombian National Antitrust Authority (SIC), Saur has sold its local authority water management operations to the Spanish group Aqualia.**

Saur Colombia reported annual revenue of around €12 million for 2021, and operated 6 water supply and wastewater treatment concessions on behalf of local authorities in the north of the country.

This disposal further rationalizes the Group's geographic footprint as part of focusing resources on delivery of its strategic plan.
