Saur delivers solid growth of +14.7% in Q1 2022

Paris, May 30th, 2022 - Saur Group reported Q1 2022 revenues of €427 million, up +14.7% year-on-year and +10.7% at a constant perimeter.

Patrick Blethon, Executive Chairman and Chief Executive Officer of Saur said: "Saur delivers a solid start to the year with an acceleration of organic growth versus the previous year. It clearly demonstrates the change of the Group's growth profile and ability to gain market share. We also continued to build for the future, expanding into North America with the acquisition of Aqua-Chem and signing an exclusive agreement with Veolia to enhance our presence in the European Mobile Water Market. Even though overall conditions deteriorated in the beginning of the financial year 2022, we are confident and confirm our outlook for the full year."
